Key to Quantities and Limitations

- "Therapeutic-ChroniLine™"**
means the **1st months chronic medication (on Formulary)** can be obtained from the **DSP (Designated Service Provider)**, **there after registration with Mediscor ChroniLine™** is required.
- "Therapeutic-ChroniLine™ Pre-Auth"**
means the **medication is approved subject to registration** with Mediscor ChroniLine™.
- "Consumables - Clinic use only"**
means the medication may only be **administrated by a DSP at the rooms**. Injectables are consumables. **No scripting to patients** to collect from DSP pharmacies.
- "Therapeutic-ChroniLine 30 days/gastroscopy 90 days"**
means the medication is **approved initially for 30 days with Mediscor ChroniLine™** and requires additional medical information for further approval.
- "Max Rx/5 days every 120 days"**
means a **script filled to a maximum of 5 days medication** supply every 120 days can be claimed.
- "HIV DMP"**
means **Prime Cure's HIV/AIDS Disease Management Programme**.

All items marked as either Chronic or PMB, to be supplied by a Registered DSP Chronic Medication Supplier (DSP Pharmacy, approved GP or contracted Courier Pharmacy).

All items marked as Acute may be supplied by the General Practitioner (provided the GP is registered with Prime Cure as a dispensing provider), **alternatively dispensed by a contracted DSP pharmacy** (where GP is non-dispensing only)

Benefits for medicine are subject to Mediscor Reference Price (MRP). Should the cost of the item exceed the MRP, the patient will be liable for payment of the difference in cost. If this is the case please inform the patient that it will be for his/her own personal account.
